

PROJECTS & ENTREPRENEURSHIP

LikeaLocal – Vibe Coding Project | 2025 – Present *AI-Powered Travel Recommendation App*

- Built a full-stack travel app using React and Replit that aggregates personal recommendations alongside hyper-local tips parsed from Reddit and YouTube videos in the destination's native language, using LLMs to surface spots traditional travel platforms miss.

Frat Maps – Founder | 2021 – 2022 *Student Social Event Platform*

- Founded a student-focused startup connecting college students with on- and off-campus social events in real time,bridging the gap between event organizers and the student community.
- Led end-to-end product development from market research and UI/UX design to brand identity, using Canva/procreate to build a cohesive visual presence.
- Managed a team across design, development, and marketing; drove go-to-market strategy through campus ambassador programs and partnerships with student organizations and local venues.

Brixit – Co-Founder | 2024 – 2025 *AI-Powered Custom LEGO Kit Startup*

- Co-founded an e-commerce startup allowing users to photograph any object and receive a custom-designed LEGO-style brick kit shipped to their door.
- Won a university pitch competition against 10+ teams, building comprehensive pitch decks and 5-year financial models with revenue projections, cost structures, and break-even analysis.
- Researched manufacturing partnerships, pricing strategy, and supply chain logistics to support a scalable direct-to-consumer business model.

WORK EXPERIENCE

Management & Logistics Intern Summer 2024

Bohemian Club, *San Francisco & Monte Rio, CA*

- Managed a team of 180 servers in a 1,000-seat dining area, overseeing scheduling, hiring, and daily operations.
- Coordinated and executed service for up to 1,600 entrees per night, ensuring smooth and efficient a la carte service across breakfast, lunch, and dinner.
- Worked 17-hour shifts daily for 4 weeks, showing endurance and leadership in a fast-paced fine dining environment.

Operations, Marketing, & Strategy Associate Mar. 2020 – May 2022

Rise Cycle Company, *Santa Rosa, CA*

- Created staff schedules, helped resolve internal conflicts, and supported strategies increasing class attendance by 125%.
- Developed marketing strategies and potential growth opportunities to increase customers by 120% over 6 months.
